AGREEMENT

0. RECITALS

0.1 Preamble

0.1.1 The general purpose of this Agreement is to provide for orderly and constructive employee relations in the public interest and in the interest of the employees herein covered and the City of Albuquerque, as Employer; to maintain harmony, cooperation and understanding between the Employer and the Employees in the bargaining unit; and to afford protection of the rights and privileges of all Employees in the bargaining unit and the Employer.

0.1.2 The Employer, the Union and its members agree to work cooperatively to comply with this Agreement and to administer this Agreement in accordance with its terms and provisions to the end of maintaining sound labor relations. The Union staff representatives and Local labor representatives may meet with the Human Resources Department, upon reasonable notice, to prevent, clarify or resolve problems with contract interpretation.

0.2 Authority

0.2.1 This Agreement is hereby made and entered into by and between the City of Albuquerque (hereinafter referred to as Employer) and the American Federation of State, County and Municipal Employees, AFL-CIO, Local 1888, as representatives of the employees of the Albuquerque Officers Association (AOA) employed by the City of Albuquerque (hereinafter referred to as Local 1888 or Union).

0.3 Agreement Control

0.3.1 This Agreement has been negotiated in accordance and compliance with the Employer's Labor-Management Relations Ordinance and the laws of the State of New Mexico. If there is any conflict between the Agreement and the Labor-Management Relations Ordinance, the Ordinance shall control. If there is any conflict between this Agreement and the Employer's Merit system Ordinance, department standard operating procedures, policies or Personnel Rules and Regulations, this Agreement shall control.

0.4 Recognition

0.4.1 The Employer recognizes AFSCME Council 18, Local 1888 A.O.A., AFL-CIO, as the exclusive bargaining agent for all non-probationary employees of the City of Albuquerque in the following public safety classifications as defined in the declaration signed by the Chief Administrative Officer and the Chief Public Safety Officer:

- 0.4.1.1 General Services Department Metro Security Officers
- 0.4.1.2 Animal Services Officers
- 0.4.1.3 Parking Enforcement Officers

1. GENERAL LABOR/ MANAGEMENT PROVISIONS

1.1 Dues Check-Off

1.1.1 During the life of this Agreement and upon receipt of a voluntary authorization for dues deduction card, the City will deduct from the pay of each Employee who has executed an authorization card, membership dues levied by the Union in accordance with its constitution and by-laws. The Union will provide dues deduction and termination cards. Termination cards must be signed by the Union President or designee. An Employee wishing to terminate their dues may do so during the first seven (7) business days of January.

1.1.2 The City agrees to forward to the Local 1888 Treasurer all dues withheld pursuant to valid authorization cards. Dues withheld will be forwarded to the designated Union Treasurer for each payroll period. The City will be notified in writing as to whom the designated Union Treasurer is by elected Union President.

1.1.3 The Union shall indemnify, defend and save the City harmless against any and all claims, demands suits or other forms of liability that shall arise out of or as a result of any conduct taken by the City for purpose of complying with this section.

1.1.4 Employees may authorize for payroll deduction amounts over the minimum dues levied by the Union by submitting a written voluntary request on an approved form.

1.1.5 Employees promoted to a position outside the bargaining unit will be withdrawn from Local 1888 membership provided the employee notifies the City and the Union in writing. Notice will be given to the Union President within ten (10) City Business Days when a bargaining unit employee's employment status has changed to outside the bargaining unit, including a change to retirement status.

1.1.6 On request of Local 1888, the employer agrees to furnish the Union a list of bargaining unit members on an annual basis. This list shall include the pay, grade, name, address, phone number, date of hire, classification and work location. The addresses and phone numbers shall be provided and used in accordance with (PERLB) Public Employees Labor Relations Board on this issue between the City and AFSCME.

1.2 Union Rights

1.2.1 The employer agrees that Union Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work areas. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. The Employer will designate a meeting place or will provide a representative to accompany Union officials where significant security requirements exist. Union staff representatives or local Union representatives may request meetings as needed to prevent, clarify or resolve a problem.

1.2.2 The funds to cover the cost of Union Time in the amount of \$131,000.00 for use among AFSCME Locals 624 Blue, 624 Transit, 1888 J-Series and 2962-Clerical shall be set aside from the three percent (3%) appropriated by the City for salary increases in FY 2015, in order to fund the recurring cost of Union Time for the above listed_AFSCME collective bargaining units. Deductions from this pool shall be calculated using the actual burdened wage rate of the union representative using the time (to include employee insurance, PERA, Retiree Health, Employer FICA portion, Life Insurance, Insurance Admin Fee, and Unemployment Compensation). The Employer shall provide the Union with a monthly accounting of funds disbursed.

The hours spent to perform union business as defined under this section will count as hours worked for the computation of overtime. Only union representatives identified and authorized by the union in advance are allowed to draw on the pool of union time. Such time will be deducted from the pool at the burdened wage rate. The union shall maintain a current list of authorized union representatives with the City. In extenuating circumstances the parties may authorize the addition of representatives to draw from the pool. An authorized representative shall request the use of Union Time at least a minimum of five business days in advance from their respective department; such requests are subject to approval by their supervisor. Requests for Union Time will be accepted by text or by email to their immediate supervisor and duty Sergeant and entered in KRONOS before the end of the pay period; supplementing the written request by phone is appreciated. Approval shall not be unreasonably denied and shall be denied only in cases of emergency. Where the employer sets a meeting for which Union Time may be used (for pre determination hearings and grievance hearings), but provides the employee with less than six business days notice, the Employer shall allow the Union to use Union Time for such an event. Where the Employer sets an investigatory meeting for which Union time may be used, 24-hours advanced notice will be provided by the Employer. The Employer shall grant Union Time for Union Representatives to attend these meetings. Parties may waive these deadlines upon mutual agreement.

At any time funds allocated for Union Time become exhausted, authorized union representatives may utilize vacation, compensatory time or elect to take leave without pay to conduct union business with the appropriate amount of advanced notice subject to the supervisor's approval.

For Union Presidents. Union business is defined as business performed by designated union representatives which facilitates the applications of this agreement, assists in employee management matters, resolves conflicts, assists in positive labor/management relations between Employees and the City or which involves matters directly related to representation of the bargaining unit members which are also beneficial to the City of Albuquerque. This shall include preparation for and attendance of pre-determination hearings, grievances, meetings scheduled between the Union and the City, Labor Board filings, and Personnel Board filings. In their absence, Union Presidents may designate persons to use president's time.

For an authorized union representative designated by the Union President, Union business is defined as attending a predetermination hearing requested by a bargaining unit employee, a grievance hearing when requested by a bargaining

unit employee or an arbitration/Labor board hearing, or other matters directly affecting employees represented by the union. Unless otherwise approved by the Human Resources Officer, one (1) steward shall be granted Union time leave with pay for any single hearing. Unless otherwise approved by the Human Resources Director, the steward shall be a bargaining unit employee assigned to the same department to which the affected employee is assigned.

President's Time for Local 1888. The Union President or his/her designee shall be allowed a total of up to 16 hours per week to perform Union business.

1.2.3 Union Steward Appointments.

1.2.3.1 The Union shall appoint stewards and provide the employer with a list of such stewards designated by division, shifts or work units. Local 1888 hereby reserves the right to make any changes of Union stewards at any time so long as the affected department within the bargaining unit is informed within a reasonable period of time.

1.2.3.2 The Union will furnish the employer with a list of all Union non-City employee officials who would have reason to visit the work site. All visits will require that the department heads, division heads or shift supervisor involved have prior notification. Access to premises by non-City Employee Union personnel will have prior approval from the director or designee.

1.2.4 Elections and Appointments. The City will notify the Union of elections or appointments to the City's Labor Relations Board and the Personnel Board. The Union will notify the Security Chief of the dates and times of Union elections when the same is announced to members.

1.2.5 Bulletin Board

1.2.4.1 The Employer will provide and post a secured, four foot by four foot (4'X4') bulletin board in a location mutually agreed upon by the parties for the display of official Union literature, correspondence or notices. The Union will provide a lock for the board and a key for the lock to the director.

1.2.4.2 The bulletin board will not be used to criticize the Union, any of the Union's policies or any of the Union Officers or management. Literature pertaining to management will be given to the director or designee prior to posting.

1.3 Employer Rights

The parties incorporate by reference all rights reserved to the City as set forth in Sections 3-2-5 and 3-2-7 of the City's Labor-Management Relations Ordinance.

1.4 Labor Management Meetings

1.4.1 The Union and the Employer shall conduct Labor-Management meetings at mutually agreed upon times and places.

1.4.2 Labor-Management Committee meetings shall consist of at least two (2) Union representatives in each department. On or off duty time shall be utilized and will be designated upon mutual agreement prior to a meeting. The Committee shall normally meet on a monthly basis.

1.5 Bargaining Unit Information, Accretion

1.5.1 If the City creates a new job classification that the Union believes should be incorporated into the Union's bargaining unit, the Union may request the opportunity to meet with the City to discuss the Union's intent. If the parties do not agree on the issue, the Union may appeal the issue to the City's Labor Board in accordance with the City's Labor-Management Relations Ordinance and the Labor Board's Rules and Regulations.

1.6 Location Determination

This Section Left Intentionally Blank.

1.7 Requests for Information

1.7.1 In any grievance (including arbitration), or proceeding in the Labor Board and Personnel Board, the Parties will respond to discovery requests within fifteen (15) City Business Days or at least ten (10) City Business Days before any applicable hearing, whichever is sooner, at no cost. This agreement is in addition to any discovery allowed by an applicable forum, but may not be used beyond a forum's close of discovery or other deadlines set by the forum. Any dispute about discovery including limits shall be decided by the forum.

1.7.2 In addition, the Parties agree that the City has the duty to provide, upon request, any relevant information necessary to negotiate, administer, and police the CBA, and to fairly and adequately represent all collective bargaining unit employees ("CBA requests"). The City has no duty to generate information or documents in response to Union requests. The City of Albuquerque Central HR will be copied on all CBA requests. Instead of providing information, the City may timely raise an affirmative defense that the information is confidential or privileged based on either the employer's interests or employees' interests. The City will respond to non-litigation requests within fifteen (15) City Business Days at no cost.

1.7.3 Information requests outside of litigation discovery and CBA requests will be made pursuant to IPRA.

1.8 City Systems

1.8.1 Employees cannot be compelled to use their personal cell phones for conducting City business.

1.8.2 The City utilizes GPS in its operations. The City, in its sole discretion, may take steps to corroborate GPS data with additional supporting evidence. If data indicates a traffic violation, then the City will verify the relevant "rules of the road," (such as speed limit), and may investigate and discipline consistent with this Contract. If GPS data indicating an alleged violation of City rules or regulations is corroborated with other evidence verifying the GPS data, then the City may rely

on the GPS data and the any corroborating information in further action, including but not limited to an investigation or discipline consistent with this Contract. The Union may contest the imposition of discipline consistent with this contract, but not the City's reliance on verified GPS data. The City has other department specific systems which are a mandatory subject of bargaining.

1.9 City Rules and Regulations, Department/Division Policies

1.9.1 If the express terms of this Contract are in direct conflict with City Rules & Regulations, or Department/Division policy, or orders and rules which address means and methods of duties, then the terms of this Contract control.

1.9.2 The City will notify, by email addresses provided by AFSCME to Central HR, the relevant AFSCME five Local Presidents and one Staff Representative of proposed changes to Rules & Regulations, and Policies at the Department and Division levels. The Notification will attach the proposed changes in redline or equivalent. The person(s) notified are responsible to notify other union officials and bargaining unit members.

1.9.2.1 The Union may request bargaining of SOPs and Post Orders only if they affect the health and safety of the employees.

1.9.3 Measured from the date of notice, AFSCME will have twenty-one (21) calendar days (rolling forward to the next business day if necessary) to provide by "reply all" email to the City personnel a request to bargain. AFSCME waives the right to bargain if the required reply all email is not sent within the time period, and the City's proposed changes may be implemented.

1.9.4 If AFSCME timely sends the required email, then from the day of the City's initial notice the Parties will, within 90 calendar days, reach agreement or provide LBFs and initiate the impasse arbitration process. Either party may initiate the impasse arbitration procedure.

1.9.5 Without precedent, the City and Union may: provide notice to more persons and by more methods of delivery; agree to a different process; implement an interim R&R/policy; extend timelines; and/or, waive impasse arbitration.

1.9.6 If the City does not follow this procedure, then AFSCME may challenge the changes under this CBA or applicable law.

2. PAY PROVISIONS

2.1 Pay Schedules

2.1.1 For the fiscal year from July 1, 2023 through June 30, 2024, bargaining unit employees' hourly rate of pay will be increased by 3.5%, effective on the first full pay period following ratification by the membership, approval by the Mayor, and signature by the parties. For FY25, beginning July 1, 2024, bargaining unit employees' hourly rate of pay will be increased by a minimum of 3.0%, effective on the first full pay period following July 1, 2024, regardless of whether non-economic negotiations remain open. For FY26, beginning July 1, 2025,

bargaining unit employees' hourly rate of pay will be as appropriated by the City Council and signed by the Mayor effective on the first full pay period following July 1, 2025, regardless of whether non-economic negotiations remain open.

The Mayor's proposed budget for FY25 will include the minimum 3.0% increase in the hourly rate of pay. It is understood by the parties that: the implementation of any wage and/or benefit increases are subject to City Council budget appropriation; that there shall be no retroactive compensation benefit in this agreement; and the FY25 increase in hourly wages is contingent on the terms of Section 3-2-19 of the City's LMRO and also approval and appropriation in and for the FY25 budget by the City Council and signature by the Mayor.

2.1.2

Section left intentionally blank.

2.1.3 As required by law and ordinance, all economic terms are subject to annual appropriation of the amounts set forth in the Agreement by the City Council, including but not limited to appropriation in the Budget Resolutions for the Fiscal Year in which an increase in compensation is set forth in this Agreement. There shall be no retroactive compensation benefit in this Agreement.

2.1.4 Pay Equity

The City and the Union (the Parties) desire to ensure that employees, including bargaining unit members, are compensated equitably for their work and have a process to recommend to the Chief Administrative Officer (CAO) changes in pay rates. The final decision to change pay rates is with the CAO. If one or more bargaining unit employee(s) is paid less than one or more employee(s) who holds the same job title, the CAO may increase, but not decrease, the pay rate of the lesser paid employee(s) at the CAO's discretion. Failure to provide such an increase shall not be grievable, except as below.

When the Wage Review Committee makes a recommendation for a bargaining unit employee(s) to the CAO to increase the pay rate of one or more bargaining unit employee(s) the Wage Review Committee's recommendation, comparable employee information, and supporting documentation, excluding any privileged material, will be provided at the same time to the Local President and AFSCME Staff Representative by email. For ten (10) business days, the Local President or Staff Representative may provide written comments or a recommendation to the CAO or her designee regarding the recommended increase. After receiving the written comments or recommendation from the Local President and/or Staff Representative, or the expiration of the ten (10) business days, the CAO may decide in her discretion to implement or not implement a wage increase. The time limit herein for the Union to submit its comments may be extended by mutual agreement of the Parties.

If the Union does not offer written comments or a recommendation within the 10 business days, and the CAO accepts or denies the recommendation, the Union has waived its right to grieve. If the Union offers a written recommendation and

the CAO accepts, the Union will not file a grievance. If the CAO does not increase any employee's pay, the Union will not file a grievance. If the CAO's decision differs from the Union's recommendation and results in an increase, the Union President or Staff Representative may grieve. If the CAO decides to increase the pay of some employees but not others in one decision, and the Union recommended an increase in pay for the employees that did not receive an increase in that decision, then the Union President or Staff Representative may grieve. The only grievance procedure applicable for this provision is FMCS arbitration. The Union will have thirty (30) days to make a request for a panel from FMCS. The Parties will share equally the costs of arbitration.

This provision is not an admission that any law or policy has been violated. This provision does not change an employee's right, if any, to challenge a decision of the CAO in a lawsuit.

2.1.5 Bilingual Pay

2.1.5.1 During duration of this Agreement, the Parties mutually agree to re-open this 2.1.5 at the request of one Party and also after the City Council and the City Department of Human Resources complete their recommendation for compliance with R 23-103; this mutual agreement does not count as an "opener" as set forth in 40.5.1. Only those languages recognized by the City of Albuquerque Human Resources Department shall qualify for Bilingual Pay.

2.1.5.2 An officer shall qualify for Bilingual Pay upon demonstrating an acceptable level of conversational proficiency, as determined by the City of Albuquerque Human Resources Department.

2.1.5.3 An officer who passes the conversational portion of the test administered by the City's Human Resources Department shall receive \$10.00 of Bilingual Pay per pay period. The test will be job related as determined by the City's Human Resources Department.

2.1.6 Employees permanently assigned to the Swing Shift will receive twenty cents (.20) per hour shift differential pay and thirty cents (.30) per hour shift differential pay for permanent assignment to Graveyard Shift.

2.1.6.1 Swing and Graveyard Shifts will be defined by each department.

2.2 Longevity Pay for Members

2.2.1 Employees will receive longevity pay as follows:

<u>Period of Service</u>	<u>Pay Period</u>
5 through 9 years of continuous service	\$ 28.07
10 through 14 years of continuous service	\$ 50.00
15 through 19 years of continuous service	\$ 120.00

20 through 24 years of continuous service	\$	135.00
25+ years of continuous service	\$	155.00

2.2.2 Employees with 0 to 14 years of continuous service will receive a one-time, non-recurring payment of \$400.00 in lieu of an increase in longevity pay. Employees reaching new longevity thresholds during the contract will be paid the rates printed in the contract.

2.3 Overtime

The bargaining unit currently consists of all and only J12 Graded City employees (and may be amended by the parties by MOU). Separate seniority lists will be maintained for the following classifications: Security Officers, Animal Service Officers, and Parking Enforcement Officers. For each classification one overtime list will be maintained for Special Event (Journal Voucher (JV)) overtime and minimum staffing overtime. Employees will be offered voluntary overtime by seniority and mandatory overtime will be by reverse seniority.

2.3.1 The City shall prepare, maintain and post up-to-date voluntary lists by seniority order within each department within the bargaining unit. It will be the responsibility of each Employee to provide one phone number for the purposes of being contacted for overtime work. Employees may use cell phones for their point of contact.

2.3.2 Each Employee will be allowed to sign up for voluntary overtime during the regular shift bid. The voluntary overtime lists shall remain in effect until the next scheduled shift bid. Names shall not be added after the bid.

2.3.3 There shall be a voluntary list(s) for each shift in each department.

2.3.4 Employees may sign up for overtime on any and all overtime shift list(s) within their respective department.

2.3.5 Employees may volunteer for any number of voluntary overtime assignments.

Each day's overtime assignments will be offered to those on the volunteer overtime list, by seniority, rotating daily. If no Employee on the voluntary overtime list is available, mandatory overtime may be required. Mandatory overtime will be assigned in reverse order of seniority from the master seniority list, rotating weekly, and two shifts may be assigned to each employee at the same time. If no employee volunteers for an overtime assignment, Management at their sole discretion may involuntarily mandate an employee work overtime or may choose to close the post for that shift. On a weekly basis, the Department shall send to the Union a list of all posts that were closed for the week and mandatory overtime was not required.

For each work week, if an employee volunteers for two overtime assignments, or is mandated two overtime assignments, or a combination, then the employee may not be assigned mandatory overtime for the remainder of the work week. If an employee cancels a voluntary assignment, then the employee is subject to mandatory overtime. If an assignment bridges a work week, it counts in the week

in which the assignment started. An assignment may be JV and/or minimum staffing.

Officers already on duty will be required to remain on duty until a replacement is obtained. If no replacement is obtained within three hours of the start of the shift, the holdover Officer may be required to work the remainder of the shift, and a holdover of three (3) or more hours counts as an overtime assignment.

2.3.6 When there is ordered overtime, the department will keep a list of Employees contacted during the shift. This will insure to the Employee that was ordered that the department attempted to obtain relief in accordance with section 2.3.5 of this article. If the Union provides reasonable notice to the Department, a Union request to receive a copy of the list will be honored in a timely manner.

2.3.7 For the purpose of computing overtime, paid leave will be considered time worked.

2.3.8 Voluntary overtime will be assigned on straight seniority order. Although the City may determine that it is necessary to assign a second shift to an Officer who is assigned overtime on the Officer's day off, the City shall attempt to avoid this circumstance. Should such a circumstance arise, the City shall attempt to work an Officer no more than one of the two consecutive days off. An Officer's assignment to a second shift on the Officer's day off shall not be subject to the grievance procedure unless the assignment violates another provision of this Agreement. If an Officer has approved vacation adjoining her/his regular days off, then s/he shall not be ordered overtime for any of these days.

2.3.9 Employees will not work more than sixteen (16) hours straight time except for declared emergency situations.

2.3.10 Employees who are off duty and called in for a minimum staffing_overtime assignment shall receive a minimum of two (2) hours pay at the applicable rate. If overtime is to be worked on the same day as contacted, time shall commence two (2) hours prior to the start time of the assignment and shall comply with Section 2.3.12 of this Agreement. The City agrees to pay the assigned overtime employee two (2) hours of pay at the applicable rate: time and one-half (1.5X) for all hours worked in excess of forty (40) hours per week; straight time for all hours worked at forty (40) hours or less. For the purpose of computing overtime, paid leave will be considered time worked.

Available vacation days will be bid in seniority order. A calendar for bidding, identifying vacation slots will be provided for Employees to bid for their vacation. It is required that one (1) Union representative on each shift be identified to assist management with the bidding process. Employees will be allowed to bid in conjunction with their days off and will not be required to bid in blocks of three.

5.1.1.1 This Subsection applies to bidded vacation only. Two weeks before vacation leave commences, an employee must have adequate time accrued for the entire block of vacation. If adequate time is not accrued then the block is void and the employee must work. Unpaid leave is available only by approval of the Department Director. The employee may request a shorter block of vacation.

5.1.2 Unscheduled vacation is defined as accrued vacation time which was not scheduled during the bidding period. Such vacation time may be requested on an individual basis for available days on a first-come, first-served basis. These requests will be submitted to the employee's immediate supervisor on a Request for Leave (P-30) form and the request will identify the date and time received. A calendar for bidding, identifying vacation slots will be provided for Employees to

bid for their vacation. It is required that one (1) Union representative on each shift be identified to assist management with the bidding process. Employees will be allowed to bid in conjunction with their days off, and will not be required to bid in blocks of three (3).

During the bid, Employees will not be allowed to request more than twenty (20) vacation days per bid cycle. A maximum of four (4) Officers, not including the Union President during Union Time, will be allowed a slot per shift from the bid in seniority order; thereafter, each request shall be on a first-come, first-serve basis. Unless denied within thirty (30) days from the completion date of the bid, the bid vacation for the top two senior employees, to include the Union President, shall be deemed approved and the remaining bids denied.

5.1.3 All excess vacation accruals will be paid to the Employee as monetary compensation at the end of the calendar year, on an hour for hour basis.

5.1.4 Requests for vacation will be approved or denied within forty-eight (48) hours except for the months of October and April. When an employee requests vacation leave or sick leave, the employee must have adequate time accrued for the entire request. If adequate time is not accrued, then the request is automatically denied. Leave requests are not approved until the City consents to the request. The previous sentences do not apply to bidding.

5.1.5 If an Employee is on suspension, injury leave, administrative leave, sick leave or other leave during their scheduled vacation, any other Employee may request such vacation time as unscheduled vacation on a first-come, first-serve basis.

5.1.6 Employees shall be compensated in cash at their regular rate of pay for any unused accumulation of vacation when they are permanently separated from the City.

5.1.7 An Employee may use accumulated vacation leave to attend physician appointments provided the Employee provides reasonable notice of the appointment to the Employee's supervisor.

5.1.8 An employee "taking leave" without following the applicable procedure (for instance 6.1.2 for sick leave), or with an insufficient balance will be initially coded absent without authorization, which is unpaid time, and is subject to discipline. The code may be changed, and discipline need not be imposed unless warranted. This section does not provide a basis to deny leave requests.

If the point of contact or designee is not available at the designated phone number, the Employee shall leave a message or text message in accordance with written instructions issued by the Department or Division. An employee does not need to call daily for blocks of approved leave. In the event the Employee is incapacitated, a family member may call in on behalf of the Employee. A sick leave request will normally be verbal but may be in writing if the Employee knows in advance of necessity for sick leave.

An employee "taking leave" without following the applicable procedure (for instance 6.1.4 for sick leave), or with an insufficient balance will be initially coded absent without authorization, which is unpaid time, and is subject to discipline. Personal absence sick leave does not include sick leave taken for:

6.1.4 For use of all forms of leave other than vacation, the City may require documentation of the basis for the leave used when the City has a verifiable basis to suspect that the Employee is utilizing the leave for purposes other than those authorized. As regards sick leave, documentation means information from a doctor of medicine or osteopathy authorized to practice medicine or surgery (as appropriate) in the State in which the doctor practices or any other person determined to be capable of providing health care services under regulations promulgated under the FMLA of 1993, 29 U.S.C., Section 2601, et seq., as amended.

6.1.5 All Employee sick leave balances within the preceding nine (9) months from the signing of this contract are to be counted. 6.1.6 Emergency leave: Emergency leave charged to sick leave for up to three (3) days may be requested when the presence of the employee is required by a physician as a result of a serious illness or injury to the Employee's immediate family. The immediate supervisor or the committee shall have the authority to decide whether or not to approve the request.

6.4.2 If the immediate supervisor rejects the employee's request, the employee may appeal the decision to a Donation Committee comprised of one (1) person appointed by the Union, one (1) person appointed by the Department and a neutral person chosen by the other two (2) appointees. The Union and the Department will exchange lists of pre-approved committee appointees. The neutral shall be chosen from the City's trained panel of mediators. The committee shall meet with the employee or the employee's designee if the employee is unable to attend for good cause and the employee's immediate supervisor or the supervisor's designee if the supervisor is unable to attend for good cause to hear arguments from both individuals pertaining to the request and rejection. The committee shall consider the FMLA criteria as the standard for review of the issue. The committee shall issue a decision on the matter to both parties. The maximum utilization allowed for an employee shall be determined by the committee.

6.4.3 If the committee rejects the employee's request, the employee may appeal the committee's decision to the employee's division manager or the manager's

designee. The designee may not be the employee's immediate supervisor or the department's appointee on the committee. The manager or the designee shall issue a decision on the matter that shall be final and binding. All notices to be provided to employees under Section 24 will be hand-delivered or emailed five (5) CBDs before the interview or hearing, if the employee is available or an email address is known. Otherwise, notices will be sent by certified mail to the last known address; and will be sent at least eight (8) CBDs before the interview or hearing.

24.1.1 A hearing shall be convened to allow the employee and the employee's representative the opportunity to explain the reasons for the employee's actions or lack of action which may result in disciplinary action other than an oral reprimand.

24.1.2 An employee shall have the right to Union representation at all stages of an employee's disciplinary proceedings.

24.1.3 Employee investigations and notices of contemplated disciplinary actions shall be implemented in the following manner:

24.1.3.1 If an employee is not placed on investigation, disciplinary process shall be initiated against an employee no later than ten (10) business days after the employee's supervisor knew or reasonably should have known of the act that caused the disciplinary action to be initiated.

24.1.3.2 For the purposes of this provision only, "initiated" shall mean the written communication of a notice of contemplated disciplinary action to the employee.

24.1.3.3 If the employer decides to conduct an investigation the employer shall submit a written notification of investigation to the effected employee no later than ten (10) business days after the employer knew or reasonably should have known of the act for which the investigation is being initiated.

If another act is discovered during a third-party investigation, the City knows of the act when informed during the debrief, but the Union may confirm the date of the debrief and argue that the City should have known of the act sooner based on knowledge of a supervisor. The City shall inform an employee if they are a target for discipline or a witness of the investigation. During the investigation phase, the City will provide a target with a summary of what occurred, and what City rule or policy may have been violated; such as "there was an accident on [date] at [location], and we are investigating whether you violated City rules regarding safe driving." A witness will be provided a summary of what occurred. The City's provision of this information does not limit the scope of the City's investigation, or the City's ability to ultimately allege different or additional violations in a Pre-Determination Notice or the investigation, or to begin a parallel investigation making a witness a subject. The union representative ("UR") will be provided a copy of the Notice of Investigation, by the City or employee, when requested. Should a witness (including the complaining party(ies)) become a target, the original investigation timeline shall be retained for the original act(s),

and a new investigation timeline commences for the new target, unless the Union and City agree to broaden the initial investigation.

For the purposes of this section, the employer is defined as the department director or his or her designee. Any supervisor who knows or reasonably should have known of the act which is being investigated must immediately notify the department director.

24.1.3 For investigations initiated the following shall apply. An employee disciplinary investigation shall normally not exceed forty-five (45) calendar days from the date an employee receives a notice of investigation. If the City determines that the investigation needs to be extended beyond the forty-five (45) calendar day limitation, the City may unilaterally extend the investigation up to an additional forty-five (45) calendar days by submitting a written notice of extension to the employee no later than forty-five (45) days after the employee received the initial notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the human resources coordinator or the employee's division manager. The requests will be granted provided the supervisor shall not be required to provide information that might jeopardize the investigation process. Unless a mutual extension is agreed to by the Union and City after 90 days, the investigation will be considered complete. The City will inform target(s) and witnesses when an investigation is closed and no further action or discipline will be taken. The City will have 20 CBDs to issue a Pre-Determination Notice (PDH), if a PDH Notice is issued, from the date an employee is notified the investigation is complete but no later than the end of the investigation period (45 or 90 calendar days). The Pre-Determination Notice will include a term substantially similar to the following:

“Should the complaint be substantiated by the evidence, or if this Notice is not contested, then Management would propose a discipline of _____.”

This does not limit the employee's ability to submit a self-imposed discipline less than what was recommended. The City shall enter in the blank space the specific discipline contemplated. The City cannot generalize the discipline as “suspension,” or “demotion,” but the PDH notice shall specify one of the following:

- Letter of Reprimand
- Suspension of [number of days]
- Demotion [to position]
- Termination

The discipline imposed, if any, after the PDH may be lower, but not higher than the discipline specified in the notice, unless new facts are discovered in the PDH, in which case the City may issue a new PDH notice.

The City will have 25 CBDs to issue a Notice of Final Action measured from the Pre-Determination Hearing. Unless an extension is agreed to by the Union and the City or the substantiated conduct implicates Title VII of the Civil Rights Act or the New Mexico Human Rights Act, no discipline may be issued after any missed deadline.

24.1.4 In the event disciplinary action is taken against an employee other than the issuance of an oral warning, the employer shall promptly furnish the employee with a clear and concise statement in writing of the reasons therefore.

24.1.5 Nothing in this Section shall prevent the employer from disciplining or discharging employees for just cause. Any such decision may be subject to the grievance procedure.

24.1.6 When discipline is to be imposed, progressive discipline will be considered when it appears that the merits of the case would lend itself to this procedure.

24.1.7 When possible, the employer agrees to criticize employees in private away from the public and other employees. Each party may have a witness present.

24.1.8 An employee may propose in writing to management a level of discipline the employee will accept for an offense prior to management imposing disciplinary action. If management accepts the discipline proposed by the employee, the issue will be considered settled and the action will not be grieved.

24.2 Investigations

24.2.1 The parties acknowledge that investigations of disciplinary actions should be conducted in a manner which affords the employees involved an environment that is conducive to problem solving. Union concerns over investigations will be addressed through the Office of Human Resources.

24.2.2 Employees who are the subject of a disciplinary investigation shall be permitted to have union representation upon request. The employer shall not be required to delay the investigative interview more than ½ hour while the employee obtains union representation.

24.2.3 The Human Resources Office and the Union President shall continue to meet to discuss issues of mutual concern related to disciplinary and supervision issues.

24.3 City Operator Permit - COP

24.3.1 If an employee reaches the number of points under the COP which results in the loss of the employee's City Operating Permit (COP), the employee's department shall submit to the Human Resources Director (HRD) a completed form with the following questions answered:

24.3.1.1 Does the employee's job description require a driver's license?

24.3.1.2 Has the department required the employee to drive during the past year? If so, how often?

24.3.1.3 How will the employee's restrictions from driving impact the productivity of the department?

24.3.1.4 How will the department be impacted if the employee cannot drive for a period of one (1) year?

24.3.1.5 Can the essential functions of the employee's position be performed by the employee without a COP? Why or why not?

24.3.1.6 If the answer to (e) above is "no," can a modification be made to the employee's position for the employee to retain the employee's current employment status within the department?

24.3.1.7 Can the employee be reassigned to other duties (i.e., through voluntary demotion, transfer, etc.) within the department to lessen the impact on the department?

24.3.2 The form identified and described above shall be submitted to the (HRD) prior to the commencement of any disciplinary action against the employee for losing the COP.

24.3.3 Upon receipt of the answered form, the (HRD) shall provide the employee or the employee's union representative to also complete the form. The employee/ union shall be provided a reasonable amount of time to complete the form.

24.3.4 If the City suspends or revokes and employee's COP, and the City requires the employee to drive to perform the employee's job duties, the City will provide the employee an option of entering into counseling with a return to work agreement in lieu of application of the City's COP policy for a first conviction involving driving under the influence off duty or loss of license for other reasons. Accommodations in the return to work agreement will include assignment to non-driving duties with a corresponding loss in pay for a period of one (1) year or less, provided the employee's required license will be reinstated within one (1) year. All actions by the City providing employees an opportunity to maintain employment under this article shall not be subject to grievance or appeal.

24.4 Sleep Apnea

The City agrees that the risk factors for obstructive sleep apnea in guideline 5 of page 8 of the Expert Panel Recommendations of January 14, 2008, to the FMCSA will not be utilized for purposes of renewing a City medical card for the City COP, including directing the City's Employee Health Provider (currently Concentra) if necessary. The City will pay for the cost of an at-home sleep apnea test, or the co-pay for the cost of an in-lab test. The cost of sleep apnea treatment will be subject to the City's health insurance; but the City agrees it will investigate the possibility of assisting with the purchase of machines for the treatment of sleep apnea. The City agrees that an employee may obtain a second opinion about screening for, testing of, and treatment of sleep apnea, at the employee's expense; and the Union agrees that the City may reject a second opinion for legitimate medical reasons. A non-probationary employee who takes a sleep apnea test will receive a one-hundred and eighty (180) calendar day temporary COP. The Union agrees that the City has a legitimate interest in screening, testing, and treatment of sleep apnea for the safety and wellness of its employees and the public; and that the City may develop its policies and procedures to do so consistent with the agreements above.

24.5 Process For DUI

24.5.1 These terms apply to only arrests for a first DUI, not on work or on City time. These terms supplement the COP policy regarding DUIs and administrative processes regarding NM Driver's License. This process is separate from any terms or provisions of the Substance Abuse Program. A second arrest for DUI results in the end of employment. A plea of guilty or nolo contendere or a finding or entry of guilt for a first or subsequent DUI results in the end of employment.

24.5.2 Deadlines below starts on day of arrest. Employees are to report any arrest for DUI.

24.5.3 City issues notice within 5 CBD; notice includes: self-refer to SAP within 7 calendar days; notice of temporary assignment; notice of PDH to occur 5 CBDs or more from notice. Proposed discipline will be 5 work day suspension without pay.

24.5.4 If PDH determines DUI arrest occurred, discipline is 5 work days (or equivalent days to 40 hours) suspension without pay. PDH outcome may not be grieved. If the PDH determines no arrest occurred, then the employee is made whole.

24.5.5 The employee will be placed in a temporary assignment for 90 calendar days, but the terms of compensation will be the same as the original position.

24.5.6 If the employee clears criminal charges and has an unrestricted New Mexico driver's license of the appropriate class on or within 90 calendar days, then the employee returns to the original position and continues in SAP if applicable. If not, then the employee may elect to use sick leave, or vacation leave, or both for 91 to 180 days (480 hours max) from the arrest. These employees are not eligible for donated leave.

24.5.7 After exhausting any leave the employee chooses to use or after 180 days from arrest, the employee will be on leave without pay under City Rules and Regulations 402.5(B) from 181 days to 375 days, except the employee will not be required to exhaust any more sick/vacation accruals under R&R 402.5(B).

24.5.8 The City may advertise the original position starting at 91 days, and may fill position starting at 151 days.

24.5.9 On or within 375 days, the employee must be cleared of criminal charges and have an unrestricted New Mexico driver's license of the appropriate class; if not, then employment ends. If the employee meets the terms, then:

24.5.9.1 The employee will, if the original position is still open, be offered the original position.

24.5.9.2 If the original position is not open, then employee will be offered a position in same job grade; an open position or a position which opens.

24.5.9.3 If an employee rejects an offer of the original position or a position in the same job grade, then employment ends.

24.5.9.4 If employee returns to a position, the employee will continue in SAP if applicable. The employee will not be made whole, but the employee will have the same City seniority date. The department, division and classification seniority date will be the same if the employee returns to the original position; or new dates if the employee returns to a different position.

25. GRIEVANCE and APPEAL PROCEDURES

25.1 Grievance Procedures

25.1.1 Subject to the election in 25.1.5 and 25.1.8, nothing in this Agreement shall prevent any employee from instituting or pursuing any grievance of a letter of reprimand on the employee's own behalf or with the assistance of the Union, in accordance with the provisions of the Merit System Ordinance. Employees may use the City's Merits Ordinance § 3-1-24 Grievance Resolution Procedures; employees may also use Ordinance § 3-1-25 Appeal from Suspensions, Demotion and Discharge and Appeal.

25.1.1.1 In a notice of final action, if the City decides to impose discipline that is held in abeyance, then the discipline must be wholly held in abeyance and shall consist of the following:

1. The discipline imposed and held entirely in abeyance for past acts.
2. The period of time measured from the abeyance during which the employee must refrain from any similar acts in order to void the discipline held in abeyance.
3. The specified progressive discipline which will be imposed in the event the employee allegedly commits a similar act during the abeyance period.
 - a. For example, "The employee's two (2) day suspension is held in abeyance for three (3) months, and if she commits a similar act during that time, the suspension will be three (3) days."
4. During the abeyance period the employee and the Union agree not to file any action. If the specified progressive discipline is imposed, an action may be filed consistent with the election in Article 25.1.5 and 25.1.8, which contest the specified progressive discipline and all previously alleged acts.

At any time, the parties may jointly settle any discipline imposed in a notice of final action.

25.1.2 The aggrieved employee may have representation at any time or step in the grievance/arbitration procedure. If an employee institutes a grievance under the provisions of Section 3-1-24 of the Merit System Ordinance in effect on the employee's own behalf, in accordance with this Section, the employee's representative will comply with the provisions of Administrative Instruction 1-11, as currently in effect, governing the Grievance Committee Process.

25.1.3 As a condition of employment, employees are required to appear as witnesses in grievance/arbitration hearings when requested by the aggrieved employee or by the City. Five (5) City Business Days before a hearing, or as required by a forum's rules or scheduling order if longer where applicable, a grievant, or the Union, or both will inform one Human Resources Coordinator(s) in each Department(s) of current City employees of those current City employees who are called as witness(es) by the grievant/union, along with the date, time and place of the hearing. The City will require the witnesses to appear, and require the witnesses to request leave as "PLO" and specify that the reason is to be a witness. The request for leave will be granted. A grievant may also use any service of process which a proceeding allows. An employee called as a witness during working hours shall be paid at the employee's regular rate. The employee

will be required to return to work when the employee is no longer needed as a witness.

25.1.4 Employees called as witnesses during time off shall be paid for the time spent at the hearing. This time is considered time worked for the purpose of computing overtime compensation.

25.1.5 Any action resulting in the filing of a grievance/arbitration shall be processed according to the procedures in effect at the time of the filing of the grievance/arbitration as provided by the Merit System Ordinance or the Collective Bargaining Agreement. If an employee wishes to appeal a disciplinary action that is subject to this Grievance Procedure, the employee shall elect to use this Grievance procedure or the City's Merit System Ordinance to appeal the action. If the employee decides to use the City's Merit System Ordinance to appeal a disciplinary action, the employee shall appeal the disciplinary action in writing and in accordance with the Ordinance no later than ten (10) days after the employee receives the written notice of disciplinary action. An employee who decides to use this Agreement's Grievance Procedure to appeal a disciplinary action shall appeal the disciplinary action by filing a written grievance no later than fourteen (14) days after the employee received the written notice of disciplinary action. If the employee decides to use this Grievance procedure, the employee may not also use the Merit System Ordinance appeal procedures. If the employee utilizes the Merit System Ordinance appeal procedures, the employee may not use the Grievance Procedure appeal procedures. This decision shall be irrevocable. If the Union, at a later date, decides that the employee's grievance is not meritorious and withdraws the grievance, the employee may not submit an appeal through the Merit System Ordinance."

25.1.6 If an employee chooses to use the City's Merit System ordinance to appeal a discipline, provisions of this Agreement shall be admissible evidence at the employee's hearing before a Personnel Board hearing officer provided the provisions are relevant to the issue before the hearing officer.

25.1.7 An officer or a steward will be allowed reasonable time off with pay to represent an employee during a an arbitration, grievance or pre-determination hearing. The President/designee will be granted access to work sites to conduct inspections for the arbitration process. The parties agree that such access shall not disrupt the work place. Prior to access of the work site, notification will be given to the appropriate City official. Management may require that the Union President/designee be escorted while on the work site.

25.1.8 The parties will use either the Labor Board or binding arbitration, but not both, for resolution of alleged contract violations or other written agreements, and all disciplinary related grievances, except as set forth in Subsection 25.1.1 above. The Parties agree that even after a claim is filed in Arbitration, the Personnel Board, or the Labor Board, the Chief Administrative Officer and relevant Director (or any designee in the Department or Human Resources) maintain authority to resolve the dispute. For purposes of this subsection, disciplinary related grievances shall be limited to the following:

25.1.8.1 Suspension

25.1.8.2 Demotion

Such notice shall be as clear and concise as possible, based on information made available to the Union. The Department Director or designee shall schedule a meeting and meet with the grieving employee, the Union, and appropriate supervisory staff no later than fourteen (14) calendar days after the date the Department Director receives the appeal, but the failure to hold this meeting does not void, or grant, the grievance. The Department Director shall have fifteen (15) City Business Days from the date of the notification to respond in writing to the Union as to the disposition of the Step I grievance. If the Union is dissatisfied with the response, the Union may request arbitration. These deadlines may be extended by mutual agreement.

25.2.2 Step II: Within ten (10) City Business Days of the completion of Step 1, the Director of the Office of Human Resources or designee shall meet with the Union President or designee and attempt to resolve any grievance issue. It is recognized that the Director and President have the authority to settle disputes.

25.2.3 Step III: If no resolution is obtained, the Union must initiate arbitration proceedings within thirty (30) days of the completion of Step II, or forfeit the right to arbitrate the specific grievance.

In the event of a [Step III] grievance, the Union shall have 120 business days to strike from the date the City produces to the Union all evidence which supports its position in the grievance. Should the Union need additional time to strike for an arbitrator beyond the 120 business days, the Employer shall not be liable for damages for the period of additional time needed. Damages include, but are not limited to back pay or interest.

25.2.4 Discovery request made by the union shall be submitted to the union within fifteen (15) City Business Days at no cost. The Union will respond to discovery from the City at least ten (10) City Business Days before the applicable hearing, at no cost.

25.2.5 Time Limits

25.2.5.1 In determining the time limits in this Agreement, the date of the grievable act or occurrence shall not be counted.

25.2.5.2 If the last day of any notice required by this Section falls on a holiday, Saturday or Sunday the time limit shall be extended to the next date that the City Administrative Offices are open for business.

25.2.5.3 Time limits may be extended by written mutual agreement of the parties.

25.2.5.4 If the Union fails to comply with the time limits, the grievance shall be considered null and void.

25.2.6 Selection of Arbitrator

25.2.6.1 Arbitrators will be selected from a list of seven (7) arbitrators requested from the Federal Mediation and Conciliation Service. The arbitrator's list shall consist of arbitrators from the region which includes New Mexico as defined by the F.M.C.S. The selection of the arbitrator shall be accomplished by the parties striking names until only one name remains. That person shall be the arbitrator. The party to strike the first name is determined by the flip of a coin.

25.2.7 Disciplinary Arbitration Procedures

25.2.7.1 The tape recording of the arbitration procedure is determined by the arbitrator.

25.2.7.2 Issues of grievability shall be decided by the arbitrator.

25.2.7.3 The arbitrator's standard for determining the appropriateness of disciplinary actions shall be just cause.

25.2.7.4 The arbitrator shall have the authority to accept, modify or reverse discipline imposed by the city.

25.2.7.5 In the event of reinstatement, a reduction or recession of a suspension or demotion, the arbitrator's award shall be limited to back pay and benefits for time lost, less any compensation received by the employee during the suspension, demotion or termination.

25.2.7.6 In researching a decision, the arbitrator may consider the Human Resources Ordinance, the Merit System Ordinance, Personnel Regulations, Administrative Instructions, a collective bargaining agreement in effect at the time of discipline, contract violations, evidence and testimony relevant to jurisdiction and any valid City policy.

25.2.7.7 The burden of proof on alleged violation shall be on the appellant. The burden of proof in disciplinary grievances shall be of the City.

25.2.7.8 The standard of review on appeal shall be governed by the New Mexico Uniform Arbitration Act.

25.2.7.9 Challenges of an arbitrator's decision shall be filed in a court of lawful jurisdiction within sixty (60) calendar days of the filing party's receipt of such decision.

25.2.7.10 The parties are prohibited from violating written agreements in force which were negotiated in accordance with the Employee Relations Ordinance. Any controversy concerning an alleged contract violation may be submitted for binding arbitration.

25.2.7.11 The arbitrator shall have the authority to interpret and determine compliance with the provisions of the Collective Bargaining Agreement. The Arbitrator may not add to, detract from or alter in any way the provision of the Collective Bargaining Agreement, the Employee Relations Ordinance, the Merit System Ordinance, the Personnel Rules and Regulations, or any valid City Policy.

Costs shall include, but may not be limited to: arbitrator fees and expenses, witness fees, and court reporting/tape recording costs. City employee witnesses shall be compensated at their regular hourly rate. Witnesses not employed by the City shall be compensated by agreement of the parties.

25.2.8.3 The arbitrator shall have the authority to require any party to the arbitration to produce relevant documents and to testify on behalf of either party.

25.2.8.4 The arbitrator's decision shall be final and binding upon the City, the Union and the grievant, except as provided by law.

25.2.8.5 The arbitrator shall deliver his/her award and decision in support thereof, within the F.M.C.S. guidelines after the close of the grievance hearing or submission of briefs, whichever is later, unless otherwise agreed to by the parties.

25.2.8.6 Alteration of time requirements may be made by mutual written consent of the parties. The Director of the Office of Human Resources and the Union President have the right to settle disputes.

25.2.8.7 As an incentive to avoid arbitration and its associated costs, at any time prior to the arbitration hearing, either party may submit a written settlement offer to the other party. Counter offers may be submitted in writing until agreement is reached, and signed by the parties, thus resulting in a shared cost of all cancellation fees, if any. However, if a written settlement offer is rejected the following shall apply:

25.2.8.7.1 If a party rejects a written settlement offer, and the arbitrator subsequently makes an award less favorable to that party than the rejected offer, and as favorable or more favorable to the party making the offer, the party rejecting the offer shall pay the costs of arbitration. If the arbitrator's award is not less favorable to any party than a settlement offer that has been rejected, or no settlement offer was tendered, the parties shall split the costs of the arbitration. The arbitrator shall retain jurisdiction to determine fees if there is a dispute as to the application of this Subsection.

25.2.8 In an effort to expedite the backlog of grievances that currently exist, the parties agree that an effort will be made to settle all existing grievances, and from

the date of the signing of this agreement a one year time limit will apply on any new grievance filed.
