### Empowerment through Leadership, Involvement, Teamwork, and Education

This is the acronym and the mission of AFSCME Council 18's ELITE Steward Training and Leadership Academy. Enroll now to understand and learn to defend the workplace rights and benefits you enjoy thanks to your union contract.

In AFSCME we believe in the credo "All-for-One, and One-for-All" and that begins with you deciding to become more involved in your public service career and your union.
